

Dear SASV Family,

*As we come with open hearts to praise and thank the Lord
during this season of Thanksgiving, we ask for His
guidance, protection, blessings and love.*

*Although our hearts and minds are laden with
concern for our hurting world, still we give thanks.*

For we know our Lord is Full of Compassion,

Faithful and Good, and we give thanks.

*In childlike confidence and trust, we place our
hope in our Providential Father and give thanks
for Jesus being One with us, and Mary our loving
Mother who journeys with us now and always.*

Blessed Thanksgiving Season To All
